Indians  
have shown  
that they  
have not

a good start.  
The

in many  
cases, have

they will not  
do it.  
They have  
been the  
best of the

Schiff has been long insured by **Everest** which from time to time has a good deal of the business of insuring yachtsmen. Since that the whole world is expected there, what will be the result?

As you all can see, what we have been fighting against is an army of ignorants.

All the residents of Module 77 are not humans.

PELAGIC  
MINISTER  
SASHI-  
NASHI!

I DEMAND  
AN EXPLA-  
NATION.

They are  
monsters  
that look  
like people

HOW  
ABOUT YOUR  
HABITOTS?

I ALSO  
HAVE NO  
IDEA ABOUT  
ALL THIS

SHE'S  
RIGHT!

THIS IS  
SOME  
MISUNDER-

I BEG  
OF YOU.

I HEREBY

SPECIAL  
HAZARD  
ORGANISMS!

PLEASE  
HOLD  
ON!

LISTEN  
TO WHAT  
WE HAVE  
TO SAY  
FIRST!

THEY  
ARE NOT  
HUMAN!

DO NOT  
WASTE YOUR  
COMPASSION  
ON THEM!

DO NOT  
LEAVE ANY  
OF THEM  
ALIVE!

NO  
OOO

**STOP!**

**IT'S

HIER LUNG  
CAPACITY  
APPEARS  
TO BE  
NORMAL.

EVEN IF WE CONSIDER THAT SHE IS INDEED IMMORTAL, WE DON'T KNOW TO WHAT EXTENT THAT SHE WOULD BE ABLE TO HANDLE IT.

WHICH IS WHY WE SHOULDN'T BE PUSHING THE LIMITS.

MAYBE WE SHOULD WE CONDUCT A LITTLE MORE TESTING?

ie:SP  
of experi

SHOULD WE TRY LETTING HER BLEED PROFUSELY?

HOW ABOUT CUTTING HER OPEN AGAIN?

WE ALREADY KNOW THAT SHE CAN REGENERATE FROM HER WOUNDS.

LET'S LOOK CLOSER INTO THAT AFTER A FEW DAYS.

TRUE.

IT'S BETTER TO BE CAREFUL WITH THIS SUBJECT.

AND ACCORDING TO TOKISHIMA'S REPORT, IT'S INCONCLUSIVE WHETHER OR NOT THESE ORGANISMS WILL DIE FROM THE THINGS WE DO TO THEM.

WELL THEN,  
LET'S RESUME  
TODAY'S  
EXPERIMENT.

Cheh

WHATEVER, IT  
MAY BE, THAT  
WAS COLONEL  
GAIN'S DIRECT  
ORDER.

I WAS  
INFORMED THAT  
WE SHOULD BE  
CAREFUL TO NOT  
GET BITTEN  
BY HER.

AFTER-  
ALL, LET'S LOOK  
INSIDE THE  
BODY FOR  
ANTIBODIES.

COULD  
IT BE AN  
INFECTIOUS  
DISEASE?

CAIN...

THAT  
MAN...

THIS  
TREATMENT  
TO A PRISONER  
SHOULDN'T BE  
TOLERATED.

BUT,

COLONEL  
CAIN'S TURNING  
A BLIND EYE.

BUT, I  
STILL HAVE  
A CHANCE  
TO LIVE.

I WILL  
GO BACK  
TO OUR  
COUNTRY  
NO MATTER  
WHAT.

THAT  
SAID,

IT'S VERY  
LIKELY THAT  
YOU WILL BE  
LIVING IN THAT  
LABORATORY.

WHAT?!

AND WHAT IF  
THAT COUNTRY  
OF YOURS IS  
NO MORE?

ALL  
INHABITANTS  
OF MODULE 77  
HAVE BEEN  
LABELLED AS  
MONSTERS.

THE  
VALVRIVES  
THAT PRIME  
MINISTER

AND AS  
YOU CAN  
SEE.

ALL OF THEM  
ARE RUNNING  
AWAY FROM THE  
MODULE WITH  
NOWHERE TO GO.

THE WHOLE  
WORLD CAN  
ONLY THINK  
OF ALL OF  
YOU AS A  
THREAT.

Haruka...

Shokousan...

DON'T  
I TELL  
YOU...

I CAN'T  
DIE-

IF THE  
FUTURE THAT  
AWAITS YOU IS  
NOTHING BUT  
AN ETERNITY  
OF PAIN,

WOULD  
RATHER  
CHOOSE A  
GRACIOUS  
DEATH.

IT WILL  
KILL YOU  
REGARDLESS OF  
THE REGENERATIVE  
ABILITIES YOU  
POSSESS,  
WON'T IT?

IF I PLACE  
THIS GUN  
RIGHT INSIDE  
YOU AND PULL  
THE TRIGGER,

THE BULLET  
WILL SPLATTER  
YOUR BRAINS  
ALL OVER  
THE WALL.

THIS IS  
THE LEAST  
I CAN DO.

WAI  
WEHYAGE.

WHAT DID  
YOU SAY?

NO  
MATTER  
WHAT  
HARDSHIPS  
I FACE,

EVEN IF  
I DON'T  
HAVE ANY  
ASSURANCE  
OF WHAT  
THE FUTURE  
WILL HOLD  
FOR ME,

I WILL  
NEVER  
GIVE UP!

I REFUSE!

YOU SAID  
IT YOURSELF.

THE MOST  
IMPORTANT  
THING IS TO  
KEEP ON  
LIVING.

I SEE...

THAT  
RESOLVE OF  
YOURS...

I WON'T  
LET

THE  
WORLD  
KILL ME!

WHAT WAS  
THAT NOISE  
JUST NOW?

CAPTAIN-

I KNOW  
I REQUESTED  
FOR THE  
RESUMPTION OF  
THE EXPERIMENT  
BUT THERE ISN'T  
A ROOM READY  
YET.

IT DIDN'T  
MATTER.

JUST BRING  
THAT THING  
TO THE  
LABORATORY.

UNDERSTOOD.

EVERYONE!

HANG IN  
THERE.

COME TO  
MEET HER  
FRIENDS
